AGENDA

1. Discussion of draft 2016 DDA budget

WINDSOR DOWNTOWN DEVELOPMENT AUTHORITY

MEMORANDUM

Date: September 16, 2015
To: Downtown Development Authority Board of Directors
From: Patti Garcia, Town Clerk/Assistant to the Town Manager
Re: DDA draft 2016 budget & mill levy
Item #: Work session

The first draft of the 2016 DDA budget is included with the packet information for discussion. Draft financial projections have been made for the remainder of 2015; any credit balance at the end of the year will be carried over to 2016.

Based on discussions with the committee looking at the Executive Director position, it was determined that the position should be part time. Additionally, it was requested to provide two renditions of the 2016 budget; one includes the Executive Director as a contract employee the other includes the position as a regular, part-time employee.

Income

- The draft budget includes a recommendation of increasing the mill to 4 which would establish a revenue of \$15,595. The DDA has indicated they would like to increase the mill each year in order to get to 5 mills within the five year time frame of the Town's support.
- Pursuant to the Intergovernmental Agreement with the Town of Windsor, the interim funding was to be provided for fiscal years 2012 through 2016. The sales tax base and increment for the 2016 budget is \$270,000.

Expenses

Most of the items are self explanatory; I did not make very many changes in the expense line items and we will review it all on Wednesday.

- The budget with the Executive Director as a contract employee lists \$60,000 under contract services.
- The budget with the Executive Director as a part time employee includes the wages, required deductions, office furniture (if needed), and funds for office space and for a computer, telephone and calculator.
- I have budgeted \$100,000 for the 2016 façade program assuming the \$20,000 to Spokes is paid out in 2015. We will know within the next couple of weeks if that amount needs to be carried over or not.

This is a working document and will be updated after the DDA meeting on Wednesday. The budget schedule is noted below:
